## Loans

Currency	Base rate (% p.a.)
EUR	4.19

**Base rate** - the basic interest rate announced by the bank for EUR only. The base rate is recalculated daily and is modified when the change is by more than  $\pm 8\%$  compared to the current rate in both directions. The base rate is based on short EUR interest rates, each of these current objective rates being assigned a weight based on the bank's internal algorithm.

**Individual exchange rate** - Privatbanka, a.s. with effect from November 4, 2024, sets an individual exchange rate for all conversion currency transactions on the client's account, the consideration in foreign currency is equal to or higher than EUR 5,000, except for non-cash SEPA payments, instant payments, priority payments, cross-border payments and payments within the bank. The bank in the currency conversion of non-cash SEPA payments, immediate payments, priority payments, cross-border payments and payments within the bank on the client's account in the amount of up to EUR 100,000, or in consideration in a foreign currency, the exchange rate ticket is used. For currency conversion of non-cash SEPA payments, instant payments, priority payments, payments and payments within the bank on the client's account up to EUR 100,000 inclusive, or in exchange in foreign currency, on a non-working day, the bank will use the exchange rate ticket of the previous working day. The bank in the currency conversion of non-cash SEPA payments, instant payments, priority payments, cross-border payments and payments within the bank on the client's account in the amount of more than EUR 100,000, or in consideration in foreign currency, set individual exchange rate.

The Bank, in accordance with provision 5.2. of the valid General Terms and Conditions of Privatbanka, a.s. determines the amount of the minimum balance on the last day of the month on payment (current) accounts on which the bank has not set a mandatory minimum balance during the duration of the contractual agreement. This minimum balance on the last day of the month on payment (current) accounts takes the form of a reservation for the payment of fees for services provided and other receivables, which is equal to the total amount of fees for services provided and other receivables from clients in accordance with the applicable Fee Schedule of Privatbanka, a. s., which the bank registers on the penultimate day of the current month in the relevant payment (current) account of the client.
